written permission, and the contents thereof must be imparted to a third party nor be used for any unauthorized purpose. Contravention will be prosecuted.

Actionnement du déblocage manuel de secours

- 1 Enlever les bouchons de fermeture (6) qui se trouvent à la partie arrière de l'electro-aimant
- 2 Introduire les vis (4) avec rondelles (5) dans l'electro-aimant (2) et les visser dans le disque (3) jusqu'à s'appuyer contre l'electro-aimant (2)
- 3 Visser sensiblement et régulièrement les deux vis à six pans jusqu'à débloquer le frein.
- 4 Après un déblocage manuel de secours il faut enlever les deux vis et refermer les trous avec les bouchons de fermeture.

How to use the stand by hand releasing

- 1 Take away the plugs (6) which are on the back side of the electro-magnet
- 2 Put the screws (4) with washers (5) into the magnet (2) and screw them into the disc (3) till they lean against the magnet.
- 3 Screw carefully and regularly the two hexagonal screws until the brake is released
- 4 After an emergency hand-releasing, the two screws must be taken away and bores shut again with the plugs.
